LAMAR'S DONUTS AD #1

EXT. PARKING LOT, DAWN

On the trunk of a car sits a pastry box filled with delicious looking donuts and two cups of steaming coffee. The sun rises over the city in the background.

YOUNG WOMAN 1  
You will not believe how bad my day  
is already.

YOUNG WOMAN 2  
Uh oh. Are these not from LaMar's?

YOUNG WOMAN 1  
My water was shut off, the heater  
melted all my shoes, and I somehow  
locked my house keys inside my car  
inside my locked garage.

YOUNG WOMAN 2  
That's awful! Were you still able  
to get to LaMar's!?

YOUNG WOMAN 1  
I had to ride across town on my  
bicycle with two flat tires and  
shampoo in my hair...

YOUNG WOMAN 2  
But did you get the...

YOUNG WOMAN 1  
Yes I got the donuts from LaMar's!

YOUNG WOMAN 2  
Oh thank goodness.

A woman's hand grabs a donut

YOUNG WOMAN 2 (CONT'D)  
You had me worried for a bit there.

A second woman's hand takes a second donut. They clink the donuts like toasting glasses.

YOUNG WOMAN  
Hey, I said it was a bad day, not a  
disaster.

END
